

Supershoes Photo Challenge!

Hey Super Snappers!

Get ready to unleash your creativity and show us what makes you a superhero! This challenge is all about capturing the amazing spirit of Supershoes and what it means to be brave and express your identity.

Here's how to participate:

Grab your camera (or a grown-up's phone!)

Choose ONE of the challenges below.

Take a super cool photo!

Ask a grown-up to help you share it.

The Challenges:

Choose the one that inspires you most!

Challenge 1: My Supershoes in Action! Do you have your own pair of Supershoes? Take a photo of them doing something awesome! Maybe your favourite teddy gets in them and goes for a walk, maybe they are helping you walk or helping you to jump super high, or just looking cool on your feet.

Ideas:

Show your Supershoes with something you've created.

Capture them mid-jump or mid-dance.

Show them on an adventure with you (e.g., in the hospital, in the park, by a favourite toy).

Challenge 2: My Superhero Power! Even without actual Supershoes, we all have superhero powers inside us! What's your special power? Is it kindness, creativity, super speed, or something else? Take a photo that shows off your unique power.

Ideas:

If your power is kindness, take a photo of you helping someone or sharing.

If your power is creativity, show a drawing, a craft, or even a unique outfit you've put together.

If your power is super speed, try to capture a blurred movement shot (with grown-up help!).

Challenge 3: Supershoes Dreams! Imagine having a pair of special shoes that could take you on a magical journey. What's something you dream of doing, being, or seeing? Take a photo that represents a dream of yours.

Ideas:

If you dream of being an astronaut, take a photo with a toy rocket or a starry background.
If you dream of visiting a special place, find a picture or a prop that reminds you of it.
If you dream of playing a sport, show yourself with a ball or equipment.

Tips for Super Snappers:

Be Creative: Don't be afraid to think outside the box!

Good Lighting: Try to take your photos in a bright place. Natural light is often best!

Have Fun: The most important thing is to enjoy yourself!

How to Share Your Photo:

Ask your grown-up to help you share your photo on social media using the hashtag

#SupershoesPhotoChallenge. Tagging us too! Remember to tell us which challenge you chose!

We can't wait to see your amazing Supershoes photos! Good luck, Super Snappers!
