

Supershoes Summer Scavenger Hunt!

Welcome Supershoes Superstar!

Get ready to hunt down these things! This summer, let's explore and discover amazing things around us. Find as many items on the list as you can. If you can't go outside now, if you are in hospital or it's just not good weather you can adapt this activity by asking a grown up to help you search for photos of these things online. Good luck and have fun!

What you'll need:

- This scavenger hunt list
- A pen or pencil
- A bag or bucket (optional, for collecting)
- An adult helper!
